Suzanne Thomas

512-922-6192 sthomas96@austin.rr.com www.suzannethomasart.com

Working in the mediums of pastel and acrylic, Suzanne enjoys painting primarily landscapes that capture the beauty of an area and convey a sense of peace, calm and tranquility... Something we all need more of right now. That being said, she occasionally likes to explore a scene that elicits a deeper emotional response to life's challenges.
